

SAISA LCNP#1 SUNBURY
SAVANNAH SAILING CENTER
3 NOVEMBER 2012

12:53 PM 11-5-12

REGATTA HIGHLIGHTS:

Fourteen schools were represented at NPLC#1 this weekend (3 Nov 12) on the Medway River in Sunbury GA. Teams arrived to find a very light 4-5kt NW breeze. The race committee got on station early and started on time as the weather report for the rest of the day was not good. Two races in each division were completed by about 11:30 when the wind shut off. A division was sent to shore to wait. A very light thermal wind developed very close to shore so A division was pretty quickly sent back out on the water. By the time all boats were back on the water the sea breeze filled in out of the east at about 7-10 kts and racing resumed. Seven races were completed in each division and sailors were off the water at 5pm.

Beaufort Academy went home with their first win ever in High School competition. Congratulation to Beaufort Academy!! Many 8th graders were in on the action and two JV teams competed. All competitors enjoyed the hospitalities on shore.

Teams with 8th Graders: Glynn Academy, James Island, SOA JV
