Senator Earl Carter
421-B Capitol,
Georgia 30334

Dear Senator Carter,

Upon Congressional notification and approval, the Exchange will solicit for a Dental Clinic at Fort Stewart, GA. This clinic is designed to support and augment the services of the local military dental facility, and will serve the Fort Stewart community with uninterrupted quality care during times of high volume, minimal manning, and mandatory deployments.

The Command at Fort Stewart supports this initiative, and the Exchange has already notified local dentists within the community and has received no objections to this plan.

This letter is required by DoDI 1330.21, *Armed Services Exchange Regulation* (ASER), and fulfills the need to inform the local business community and government officials. Please send any comments, questions, or concerns to Jason Woods, Sr. Program Manager Healthcare services at (214) 312-6961 or woodsjaso@aafes.com.

Sincerely,

TRINIDAD X. SAUCEDO
VP, Services/Food Directorate
Army Air Force Exchange Service
