

**DEPARTMENT OF TRANSPORTATION
STATE OF GEORGIA**

INTERDEPARTMENT CORRESPONDENCE

FILE: S.R. 144 @ U.S. 17/S.R. 25 **OFFICE:** STATESBORO
City of Richmond Hill, Bryan County

DATE: June 19, 2014

FROM: ^{SP} Mr. Steve Price, Agronomist Manager

TO: Mr. Karon Ivery, District Engineer

SUBJECT: Evaluation of Live Oak Trees

As per your request I have reviewed the Evaluation report submitted by Mr. Jerry Holcomb, Certified Arborist, on March 20, 2014 to the City of Richmond Hill. Following my review of his report I visited the site to verify his findings and recommendations. I concur with Mr. Holcomb's findings and recommendations as these two Live Oaks exhibit obvious signs of declining health and vigor as well as internal rot and decay. Mr. Ray Dorsey, Agronomist Manager and Certified Arborist with the Georgia Department of Transportation has reviewed the report and also concurs with Mr. Holcomb's findings.
